In electronics, a remote control is a component of an electronic device used to operate the device from a distance, usually wirelessly. For example, in consumer electronics, a remote control can be used to operate devices such as a television set, DVD player, or other home appliance, from a short distance. A remote control is primarily a convenience feature for the user, and can allow operation ...

Remote Control is a TV game show that ran on MTV for five seasons from 1987 until 1990. It was MTV's first original non-musical program, and first game show. A concurrent syndicated version of the series ran during the 1989-90 season, and was distributed by Viacom. Three contestants answered trivia questions on movies, music, and television, many of which were presented in skit format.

We recently bought a universal remote control for an extra bedroom and needed to find the remote codes to control our existing Sanyo TV and Toshiba DVD player. We ended up searching multiple websites and still didn't find the code list we needed. So we used multiple sources and gathered up the universal remote control 3 digit codes for most TV, VCR, Satellite, DVD, DVR and Blu-ray players.
