restaurant financial management introduction pdf

There has never been a book in the foodservice industry that focuses solely on the expertise needed to open a restaurant. All the published books and manuals focus on restaurant and foodservice management. This manual is designed to provide a sort of "internship", preparing you thoroughly with a detailed guide to opening your restaurant within a required and realistic pre-opening budget.

Criteria for effective marketing plans. Marketing plans should meet several criteria: The plan must be specific enough so that it can be implemented and communicated to people in the firm. Improving profitability is usually too vague, but increasing net profits by 5%, increasing market share by 10%, gaining distribution in 2,000 more stores, and reducing manufacturing costs by 2% are all ...
