

rock music culture aesthetics pdf

Punk subculture includes a diverse array of ideologies, fashion, and other forms of expression, visual art, dance, literature and film. It is largely characterised by anti-establishment views and the promotion of individual freedom, and is centred on a loud, aggressive genre of rock music called punk rock. Its adherents are referred to as "punks", also spelled "punks" in the modern day.

Punk subculture - Wikipedia

Rock music is a broad genre of popular music that originated as "rock and roll" in the United States in the early 1950s, and developed into a range of different styles in the 1960s and later, particularly in the United Kingdom and in the United States. It has its roots in 1940s and 1950s rock and roll, a style which drew heavily on the genres of blues, rhythm and blues, and from country music.
