

### **science activism list of pdf**

This is a list of atheists in science and technology. Persons listed are individuals who have publicly identified themselves as atheists or have been historically known to be atheists, and whose atheism is relevant to their notable activities or public life. A mere statement by a person that he or she does not believe in God does not suffice.

Activism consists of efforts to promote, impede, direct, or intervene in social, political, economic, or environmental reform with the desire to make changes in society. Forms of activism range from writing letters to newspapers, petitioning elected officials, running or contributing to a political campaign, preferential patronage (or boycott) of businesses, and demonstrative forms of activism ...
