Year In Review: 2018. As 2018 ends, it's appropriate that we reflect on some of our most important achievements this year. From online voter registration milestones and enhancements in election security, to protecting the health and safety of the public, 2018 has been a year of enterprise and transformation for the PA Department of State.

Search engine optimization (SEO) is the process of affecting the online visibility of a website or a web page in a web search engine's unpaid results—often referred to as "natural", "organic", or "earned" results. In general, the earlier (or higher ranked on the search results page), and more frequently a website appears in the search results list, the more visitors it will receive from the ...
