

second language acquisition oxford pdf

Second-language acquisition (SLA), second-language learning, or L2 (language 2) acquisition, is the process by which people learn a second language. Second-language acquisition is also the scientific discipline devoted to studying that process. The field of second-language acquisition is a subdiscipline of applied linguistics, but also receives research attention from a variety of other ...

Second-language acquisition - Wikipedia

A person's second language or L2 is a language that is not the native language (first language or L1) of the speaker, but is learned later (usually as a foreign language, but it can be another language used in the speaker's home country). For example, there are two official languages of Canada (English and French) and some people use both. A speaker's dominant language, which is the language ...
