

sin is necessary book pdf

Original sin, also called ancestral sin, is a Christian belief in the state of sin in which humanity has existed since the fall of man, stemming from Adam and Eve's rebellion in Eden, namely the sin of disobedience in consuming the forbidden fruit from the tree of the knowledge of good and evil. This condition has been characterized in many ways, ranging from something as insignificant as a ...

Original sin - Wikipedia

In a religious context, sin is an act of transgression against divine or natural law. Sin can also be viewed as any thought or action that endangers the ideal relationship between an individual and God; or as any diversion from the perceived ideal order for human living. In Jainism, sin refers to anything that harms the possibility of the jiva (being) to attain moksha (supreme emancipation).
