social media education a pdf

Geoff Coyle serves as Social Media Editor for West Virginia University. In this role, Geoff and the rest of the Social team work to promote the University's message and image for prospective students, current students and alumni through digital platforms.

Higher Education Social Media Conference | Higher Ed

The development of social media started off with simple platforms such as sixdegrees.com. Unlike instant messaging clients, such as ICQ and AOL's AIM, or chat clients like IRC, iChat or Chat Television, sixdegrees.com was the first online business that was created for real people, using their real names. The first social networks were short-lived, however, because their users lost interest.

Social media - Wikipedia

Social media marketing is the use of social media platforms and websites to promote a product or service. Although the terms e-marketing and digital marketing are still dominant in academia, social media marketing is becoming more popular for both practitioners and researchers. Most social media platforms have built-in data analytics tools, which enable companies to track the progress, success ...
